Collecting accounts can be a time-consuming part of business. Reduce this staffing cost by letting our staff do all the hard work. Using a compassionate, respectful approach combined with up-to-date technology to collect accounts that often get missed, we often collect up to four times the national average of our counterparts.

We have a **“No Collection – No Charge”** policy on accounts that do not require legal action. Our competitive rates are 25% of accounts over \$1,000.00 and 30% of accounts under \$1,000.00 on basic files. Further, we are a reporting agency for Equifax Canada.

A few things we want to bring to your attention:

1. When listing the account, please complete the attached Listing Sheet, and provide all information that you may have on the debtor – even old phone numbers or addresses can assist us. References from a credit application are also helpful.
2. If you are aware of any dispute on the account, please **MAKE US AWARE OF ANY DISPUTED ITEMS ON THE LISTING SHEET**. This helps our staff prepare for a possible mediation situation.
3. If you get calls from the debtor any time after listing the account, please **REFER THE DEBTOR TO OUR OFFICE**. Please **DO NOT WORK THE ACCOUNT** any further. We want to avoid any appearance of harassment as defined under the Manitoba Consumer Protection Act which governs collections.
4. We act on listed accounts immediately with a phone call. If you receive payment at your office please advise us right away so we can adjust the account accordingly.

Please send any completed Listing sheets to info@tcbsbailiff.ca or fax to 204-726-0828 or call us at 204-726-0813 for more information.

Thanks for your consideration in this matter – we look forward to assisting you with all your collection needs.

Sincerely,

Pamela Foster
Manager
